## Toolset Blocks

Nova komponenta u Toolsetu.

Omogućava korisnicima izgradnju websiteova pomoću blokova bez uporabe *shortcodeova*. Uz njegovu pomoć neprogrameri mogu izraditi website koji sadržaj blokova generiraju iz dinamičkih izvora.

Trenutno se nalazi u zatvorenoj beti.

# Postavke za pojedine blokove...

# TB Video

The screenshot displays the TB Video plugin interface within a WordPress editor. The top navigation bar includes a home icon, the site name "Real estate site", a "New" button, and a "View Pages" link. The left sidebar contains a menu with options: Dashboard, Posts, Media, Pages (highlighted), All Pages, Add New, Comments, Houses, Apartments, Land, Offices, Agents, States, Cities, Appearance, Plugins (with a red notification icon), Users, Tools, Settings, and Toolset. The main content area shows a video player titled "Virtualni obilazak" with a play button and a video thumbnail of a house. The video player controls show a progress bar at 0:00 / 0:20. The right sidebar contains the "Block" settings panel, which includes options for Muted, Playback Controls, Poster Image (with a "Replace Image" button and a "Remove Poster Image" link), Preload (set to Metadata), Width (75%), Height (px), Source resolution (1600 x 900 px), Start At, End At, Video length (21 seconds), Style Settings (Margin and Padding), and Border (2px solid).

# TB Button

# TB Countdown

The screenshot displays the WordPress Gutenberg editor interface. On the left is a dark sidebar with a menu containing: Dashboard, Posts, Media, Pages (highlighted), All Pages, Add New, Comments, Houses, Apartments, Land, Offices, Agents, States, Cities, Appearance, Plugins (with a red notification icon), Users, Tools, Settings, Toolset, and Collapse menu. The main editor area shows a page titled "Temnus fugit" with a "TB Countdown" block. The block contains four orange boxes with the following values: 07 Days, 01 Hours, 38 Minutes, and 46 Seconds. Below the block is a prompt: "Start writing or type / to choose a block". On the right side, the "Block" settings panel is open, showing options for Text Color, Background Color, and Margin and Padding. The "Margin and Padding" section is expanded, showing a diagram with 10px values for margin and padding. At the bottom of the settings panel, the "Advanced" section is partially visible. The top of the editor shows a "Save Draft" button and "Preview" and "Publish..." buttons. The user's name "Howdy, Kruno" is in the top right corner.

# TB Progress Indicator

The screenshot displays the WordPress Gutenberg editor interface. On the left is a dark sidebar with navigation options: Dashboard, Posts, Media, Pages (highlighted), All Pages, Add New, Comments, Houses, Apartments, Land, Offices, Agents, States, Cities, Appearance, Plugins (with a notification badge), Users, Tools, Settings, Toolset, and Collapse menu. The main editor area shows a block titled 'Nanredak' containing a progress indicator. The indicator consists of a green bar that is 90% full, with the text '90%' centered in the bar. Above the bar is a small icon of a red pill with a white dot and a three-dot menu. The top of the editor shows the site title 'Real estate site', a status bar with '1' and '0', and a 'New' button. On the right, the 'Block' settings panel is open, showing the 'TB Progress Indicator' block. The settings include a toggle for 'Dynamic Percent Source', a 'Percent' slider set to 90, a toggle for 'Include Text', a 'Text' input field containing '[p]%', a note 'To show current percentage use: [p]', a toggle for 'Animate', 'Style Settings' with a toggle for 'Auto Font Size', a 'Text Color' picker with various color swatches and a 'Clear' button, and a 'Bar Style' section with radio buttons for 'Round' and 'Square'.

# TB Social Share

The screenshot displays the TB Social Share plugin interface within a WordPress dashboard. The left sidebar contains a navigation menu with options: Dashboard, Posts, Media, Pages (highlighted), All Pages, Add New, Comments, Houses, Apartments, Land, Offices, Agents, States, Cities, Appearance, Plugins (1), Users, Tools, Settings, Toolset, and Collapse menu. The main content area shows a video player and a photo of a house. Below the photo is a social sharing bar with icons for Facebook, Twitter, Pinterest, and Reddit, and a 'Dynamic Content' button. The right sidebar shows the 'TB Social Share' settings panel, which includes a 'Document' tab and a 'Block' tab. The 'Block' tab is active, showing a list of networks with toggle switches: Facebook, LinkedIn, Twitter, Pinterest, Telegram, Reddit, Viber, and Email. Below this is a 'Content to Share' section with a 'Dynamic URL Source' toggle, a 'Post Source' dropdown set to 'Current post', a 'Source' dropdown set to 'Post URL', and a 'Dynamic Title Source' toggle. A 'Post Source' label is visible at the bottom of the settings panel.

# TB Single Field

The screenshot displays the WordPress Gutenberg editor interface. On the left is a dark sidebar with navigation links: Dashboard, Posts, Media, Pages, Comments, Houses, Apartments, Land, Offices, Agents, States, Cities, Appearance, Plugins (with a red notification badge), Users, Tools, Settings, Toolset, and Collapse menu. The main editor area shows a post titled "Gdje se nalazi nekretnina?". Below the title is a text block containing "Zagreb". A toolbar above the text block includes icons for inserting, undo, redo, and a menu. Below the text block is a prompt: "Start writing or type / to choose a block". The right sidebar shows the "Block" settings for the "TB Single Field" block. The settings include: "Field Source" with "Field Type" set to "Standard field" (selected), "Post Source" set to "Parent in the city\_apartment relat...", "Post Field" set to "Post Title", "Style Settings" (collapsed), and "Advanced" (collapsed). The top of the editor shows the site name "Real estate site", a "New" button, "Toolset shortcodes", a "Preview with:" dropdown set to "Zagreb", and a user profile "Howdy, Kruno".

# TB Fields and Text

The screenshot shows the WordPress Gutenberg editor interface. The top navigation bar includes the site name 'Real estate site', a status indicator '1', a 'New' button, and a user profile 'Howdy, Kruno'. The left sidebar contains a menu with options: Dashboard, Posts, Media, Pages (highlighted), All Pages, Add New, Comments, Houses, Apartments, Land, Offices, Agents, States, Cities, Appearance, Plugins (with a red notification badge), Users, Tools, Settings, and Toolset. The main editor area displays a text block with the title 'A za sve ostalo tu je...'. The block's content is 'Kada vam blokovi nisu dovoljni tu je TB Fields and Text :)' followed by a shortcode: `[wpv-conditional if="({ $wpvf-skype ne " })"]Skype poziv[/wpv-conditional]`. The block's toolbar shows various editing options like Paragraph, Bold, Italic, List, Link, and more. On the right, a 'Block' panel is open, showing the block title 'TB Fields and Text' and a note: 'Click any Shortcode in the editor (orange underline) to get more info.'
